

TICKET ANGEL PROGRAM

AGENTS vs CANCER

MISSION

To provide once in a lifetime experiences through complimentary tickets to ball games, amusement parks, and special events for individuals and families battling cancer.

OUR OBJECTIVES INCLUDE

- To provide free event tickets cancer patients and their families.
- To facilitate once-in-a-lifetime in-game experiences; from meeting players, to attending batting practice, or throwing out the first pitch.
- Engaging local real estate communities to support the cause!
- Collaborating with partners like tickets.com, MLB and other professional sports teams to organize fundraising events and campaigns to support our charitable endeavor.

WHO WE HELP

We support cancer patients of all ages and their families. We work directly with our network child-life specialists and charitable partnerships to identify individuals and families who need a little extra love & support.

“The Ticket Angel program gave our family a chance to be together, and just for a moment, remember how beautiful life can be.”
